

EMANCIPATE

EMANCIPATE Child Victims

We are freeing child victims around the world from sex trafficking and placing survivors on a path to recovery through partners that can provide appropriate aftercare services.

EMPOWER

EMPOWER Law Enforcement

We are providing law enforcement and governments around the world with technology, tools and training to dismantle criminal networks and eliminate the trafficking and sexual exploitation of children.

ENLIGHTEN

ENLIGHTEN The Public

We are educating stakeholders around the world about the pervasiveness and harmful effects of child sex trafficking with hopes of motivating people to take action.

OPERATION UNDERGROUND RAILROAD

WHO ARE WE?

Operation Underground Railroad is a non-profit organization whose mission is to eradicate child sex trafficking. Because this problem is so vast, we have gathered the world's experts in both extraction operations and in anti-child trafficking with a goal of bringing an end to child slavery.

JUMP TEAM

O.U.R. enlists Jump Team members with experience in anti-trafficking and extraction operations with the goal of rescuing trafficked children and identifying those who enslave them. Jump Teams consist of current and former CIA, Navy SEALs, law enforcement officers and Special Ops personnel who coordinate rescue efforts with foreign governments and law enforcement partners throughout the world.

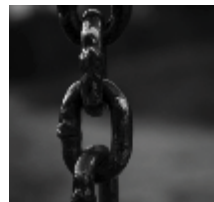

AFTERCARE SPECIALISTS

O.U.R. Aftercare is made up of qualified individuals who are dedicated to staying with the victims once they are rescued. They provide hope, love and opportunity to all survivors.

FORMER PROSECUTORS AND LAW ENFORCEMENT AGENTS

On the ground we have former Law Enforcement Agents and Prosecutors who bring years of experience in child crimes.

VOLUNTEERS

With over 5,000 registered volunteers worldwide, we have an army of abolitionists shining a light in their respective areas.

NON-PROFIT EXECUTIVES

Behind the scenes, our staff and board members have an overwhelming amount of non-profit and for-profit experience, and are dedicated to ending human trafficking.

WHAT DO WE DO?

RESCUE

Our teams are on the front lines in this fight. We believe that in order for this problem to end, we need to be proactive and hands-on.

AFTERCARE

O.U.R. Aftercare develops partnerships with vetted in-country aftercare centers. Once victims are rescued, the recovery process begins. We also provide vocational training where possible to survivors around the world.

TRAINING & EDUCATION

Whether in the United States or around the world, we endeavor to train law enforcement partners however needed to enhance their anti-trafficking efforts. O.U.R. strives to provide the most effective techniques and tactics to take down predators and rescue the innocent.

COLLABORATION

We collaborate with law enforcement both in the United States and around the world to shine a light on this horrible problem. The only way this problem is going to end is if we all come together.

EMPOWERMENT

We empower both our law enforcement and aftercare partners. We believe in building these long-term relationships with our partners so we can fight this problem together.

NGO SUPPORT

We provide support to other NGO's around the world and exchange ideas, methods and best practices. There are amazing organizations doing such great work in this fight and we believe in coming together to save children anywhere possible.

O.U.R. MISSION STATEMENT

To shine a light worldwide on the global epidemic of child sex trafficking, and in so doing rescue more children from slavery and assist law enforcement to seek justice for those who violate children. We place survivors on a path to recovery by partnering with vetted aftercare providers.
